This Summary helps you make an informed decision when an insurance product is offered to you by a Distributor. This is not your Certificate of Insurance. The Distributor must also provide you with a fact sheet “Let’s Talk Insurance!” which is to inform you of your rights.

The Group Policy is available by clicking the following link:

What is this insurance for? And what are the benefits?

Purchasing a vehicle or equipment and financing it has an important influence on your financial security. When you arrange to finance your vehicle or equipment purchase from the Distributor, you may choose to purchase optional insurance offered to you. If you choose to do so, the Insurer will pay benefits to your creditor to reduce or pay off your outstanding loan balance if you die.

You can apply for coverage if, on the date you apply for insurance, you are:

- a resident in Canada; and
- at least 18 years of age and not yet 60 years of age; and
- able to do your usual day to day activities; and
- personally responsible for the payment of the loan or lease arranged by the Distributor.

Specific Conditions

Life Protection is a way for you to protect your survivors and dependents against financial hardship by reducing or paying off the outstanding balance of your loan.

No medical exam is necessary to apply. Coverage is provided in consideration of your eligibility:

You may qualify for the Life benefit if your death occurs and:

- you are at least 18 years of age and not yet 65 years of age; and
- your Protection Plan is in force.

How to choose the amount of insurance?

Premiums, other fees and applicable taxes

Protection Plan is optional; and purchasing the coverage is not a condition for you to obtain your loan.

You select the coverage options based on your needs and financial means; below are the options:

Platinum Basic	Your Loan balance up to \$5,000 if you pass away while insured
Platinum Enhanced	Your Loan balance up to \$25,000 if you pass away while insured

Your Term of Insurance equals to your Loan term or 84 months, whichever is less.

The Amount Insured is your Loan amount.

Premium amount is calculated based on the protection option selected. Age, gender, health and occupation do not affect your insurance premium. The premium is fixed and will not change over time. Applicable provincial sales tax on insurance premiums will be added to the cost of your insurance.

What you should know

Below is a summary of exclusions and limitations; please refer to the Certificate of Insurance for details.

Exclusions and Limitations

Exclusions and Limitations

The Insurer will not pay benefits if your claim results from:

- **A Pre-existing Condition**
- Suicide or attempted suicide or self-inflicted injury within 2 years after the Date Insurance Begins
- Criminal offence
- Alcohol consumption while operating any motor vehicle beyond legal limit
- War or any act of war or insurrection
- Travelling in any aircraft except as a commercial flight passenger
- Intentional taking of non-prescribed drugs
- Taking of any poisonous substance, gas, or fumes
- Nuclear, chemical or biological contamination from a terrorist act

Loan payments in arrears and accrued interest are not covered.

A Pre-existing Condition is a health condition that you have before your insurance coverage begins. If you have a medical condition(s) and you received Treatment or Advice during the 6-month period before your insurance begins, any death related to this condition that arises after you purchase the Policy will not be covered.

The diagram shows a horizontal timeline. A blue bar represents the 'Term of Insurance'. Above the bar, text says 'The date you purchase the coverage' with an arrow pointing to the start of the bar. A pink double-headed arrow labeled '6 months' spans from a point 6 months before the start of the insurance term to the start of the term itself. Below the bar, text on the left states: 'You received Treatment or Advice for any medical condition(s) during 6 months immediately before your insurance begins, **you have a Pre-existing Condition**'. Text on the right states: 'If you are free of Treatment or Advice for any period of **6 consecutive months** after your coverage begins, **this will no longer be considered a Pre-existing Condition**'.

Someone acting on your behalf, the claimant, should call customer service, toll-free at 1 866 487-0494 to obtain a claim form. A customer service representative will go through the procedures with the claimant. The claimant must return the completed claim forms and required documents within 90 days after the date of loss. While the Insurer is processing your claim, your estate is responsible for all scheduled loan payments.

If your claim is denied, the claimant will receive a letter indicating the reason for the denial; the claimant can appeal the decision in writing, the claimant will receive a response in writing within 30 days following receipt of your request to review.

If you change your mind, there is a Satisfaction Review Period - If you find the insurance to be unsatisfactory, you may cancel all coverages insured by the Protection Plan within 30 days of purchase; any premium you have paid will be refunded. To do this, you must contact customer service, toll free at 1 866 487-0494 to obtain a cancellation request form.

Refund amount is calculated using the following formula:

([(R x (R+1)) / (T x (T+1))] x Premium x 80%) less cancellation fee \$125.00 per Certificate
Where R = number of remaining months left on the insurance coverage and
T = Term of Insurance in full months

Term of Insurance is 60 months T = 60
 You decided to cancel the coverage after 10 months R = 50
 Protection Plan Premium (all coverages) \$1,000
 ([(50 x (50+1)) / (60 x (60+1))] x \$1,000 x 80%) less \$125 cancellation fee = \$432.38

If the Insurer declined your application to enroll or the Insurer determined that you were not eligible for coverage when you purchase the coverage, the Insurer will refund the full amount of premium as if your insurance has never been in force. If the cost of the insurance is added to the financing amount and if you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used to shorten the financing period.

Any misrepresentation, inaccurate representation or failure to disclose could lead to the Policy being cancelled *ab initio*, coverage being denied or benefits being refused or reduced. Should you have any questions, please contact the Distributor or the Insurer.
